Manager's Corner

For those who are still learning patience, we have a few more months before the elevator upgrade is complete for you to get it right!

As you may be aware, from **March 13 to August 31**, the elevators at Fellowship Towers are being remodeled and upgraded. During this period of time only one elevator will be operational while the other is being replaced. This is an absolutely necessary inconvenience, so your patience, understanding and courtesy toward others is non-negotiable. BE NICE!

Attention:

Move In-Move Out Residents

To cause the least amount of inconvenience for our residents, the following schedule will be enforced for residents to move-in or move-out:

Monday through Friday

2:00 PM to 8:00 PM

Saturdays, Sundays and Holidays

Noon to 8:00 PM

In the event of an emergency, such as fire, paramedics or police; use of the elevator must be given up.

Your cooperation will make this inconvenient time less stressful for all.

Please schedule all move-ins, move-outs and any extended use of the elevator with the office prior to its use.

Be aware! This Saturday there will be a crane on the property to remove the old machines and install the new ones. Please stay safe and away from working area.

Thank you for your cooperation,

Coculana Swart
