New Project - 6' Iron Fence:

Privacy, safety and a pleasant environment are important aspects that people consider when choosing where to live. Fellowship Towers is pleased to announce that a building permit has been approved for a new fence which will surround our property. This will provide an attractive enclosure that will keep our residents safer within as well as to keep unwanted intruders out.

House Rules reminder:

We are a Smoke Free Complex! Residents MUST inform their guests of our no-smoking policy. Furthermore, residents shall promptly give management a written statement of any incident(s) where tobacco smoke is migrating into a tenant's unit from sources outside of the

tenant's apartment unit.

Pet Guidelines:

Prior approval must be obtained from the management before a pet is brought into your apartment. You must also provide current or updated documentation. Keep in mind that no pet may make noise which disturbs other residents.

Laundry Area:

The pool table is for playing pool, NOT for folding your laundry; please use the table which is setup specifically for folding your laundry on 17th floor.

I appreciate all of you!

Coculana Swart

Wishing you all the best!
