## Manager's Corner

I am excited to announce that our apartments passed the inspection with flying colors!!!  
**Congratulations everyone!**

### Just a reminder about our House Rules:

Unless a visitor is entering or leaving the building, the resident must accompany their visitor(s) in the common areas of the building. Please make sure that your guests are respectful of all the residents. Alcohol is not allowed in the common areas!

### Don't Forget...

Effective on July 1, 2016, Fellowship Towers will begin to transition to become a smoke-free building. Smoking of tobacco, marijuana, or electronic smoking devices (including e-cigarettes) is prohibited by all residents and visitors in all indoor and outside areas on the property including, but not limited to, apartment interiors,

common areas, public restrooms, stairways, parking areas, and lobby entry ways. We have a designated outdoor smoking area on the premises. Smoking is permitted in the designated area only. This policy applies to all current and new residents, all employees, and all guests at all times. Staff will enforce this rule according to the procedures for addressing any rule violations.

### Employee Status:

Please welcome Isiah Cirne, a new employee, taking over as Janitorial Attendant from Jose Chavira "Junior" who has been promoted to be our Maintenance Technician.

**In Memoriam**, our deepest sympathies go out to the family and friends of Ronnie Bridges. He will be missed dearly.

## MOTHERS OVERHEARD SAYING

**COLUMBUS'S MOTHER:** I don't care what you've discovered, Christopher. You could have written.

**MICHELANGELO'S MOTHER:** Mike, can't you paint on walls like other children? Do you have any idea how hard it is to get that stuff off the ceiling?

**NAPOLEON'S MOTHER:** All right, Napoleon. If you aren't hiding your report card inside your jacket, then take your hand out of there and prove it.

**GOLDBLOCKS'S MOTHER:** I've got a bill here for a broken chair from the Bear family. Do you know anything about this Goldie?

**ALBERT EINSTEIN'S MOTHER:** But, Albert, it's your senior picture. Can't you do something about your hair? Styling gel, mousse, something...?

**THOMAS EDISON'S MOTHER:** Of course I'm proud that you invented the electric light bulb, Thomas. Now turn off that light and get to bed!

**HUMPTY DUMPTY'S MOTHER:** Humpty, I've told you once, I've told you a hundred times not to sit on that wall. But would you listen to me? No!
