Upcoming Inspection

This month of May we have a mandatory apartment/building inspection by AZ Housing. Since we did such an awesome job spring cleaning last year, let's do the same this year!

Upcoming Window Washing

As part of spring cleaning, all the windows will be washed. We will schedule more specific dates at the end of May so stay tuned! Just remember to leave the screens unlocked when it's time.

Smoking problem

We are aware that a few residents are still smoking in their apartment. This must STOP if you enjoy living at Fellowship Towers. And I'd like to give special thanks to every one of you who have collectively made a positive change, allowing us all, to live in a clean and smoke free environment. Please do not feel embarrassed

to report any issue to us as everyone needs help from time to time. I challenge all of you to take personal responsibility and pride in our building until there will be no issues left to resolve!

You will also be delighted to know that we are replacing the awnings in both the smoking and non-smoking areas outside.

Elevator Modernization Schedule Update

Based on today's job-site audit of work completed to date, we estimate Elevator #2 to be completed by the end of May. Thank you all for your patience and understanding regarding this project that is making this a better place for us to live.
